

DVM SHIP CARE

ALL MARINE SERVICES AT ALL INDIAN PORT

PROFILE

DVM SHIPCARE was founded with a view to supplying **PROVISION / BOND STORE / DECK / ENGINE / GALLEY/ ELECTRICAL STORES ETC** to ships calling Kandla / Mundra & other ports of India, but over the following decades, the company has grown in scale, in step with the expansion of business in India generally; and the company has also expanded its reach, often at the behest of clients, much further afield around the world, and into supplying to other types of clients.

DVM SHIPCARE retains the personal touch: When dealing with **DVM SHIPCARE**, your personal commercial contact here handles all your needs, from the initial stage of RFQ or Enquiry, all the way through to delivery to your ship; we keep you updated at all stages and as often as you want, and are available in your service at all time.

CLIENTELE

We currently supply a large and diverse fleet covering almost every type & size of vessels registered under various flags. We serve Ship Owners, Ship Managers & Ship Operators from around the world, running vessels of all categories, including:

- Tankers
 - >> Crude Carriers
 - >> Chemical Carriers
 - >> LPG Carriers
 - >> LNG Carriers
- Containerships
- Bulk Carriers
- Drilling vessels
- Supply Vessels and Tugs/Barges
